General

This Rate Schedule includes Service to a residence which has a commercial enterprise or office within it, provided the total installation used for purposes other than residential is not greater than 500 watts.

When two or more dwelling units including two or more houses on a farm are supplied through a single meter, each shall be classed as a single residence with the rate blocks increased proportionately to number of dwellings. This provision is restricted to those Consumers and accounts served in this manner on December 1, 1972.

CONSUMPTION TAX

Applies to all kilowatt-hours served under this Rate Schedule

LATE PAYMENT CHARGE

Applies to this Rate Schedule
